

HRV BIOFEEDBACK DIDACTIC TRAINING

A 16-hour didactic education program specifically covering all topics as listed in the Blueprint of Knowledge is required. Complete HRVB blueprint coverage may be documented by courses from the following providers. Each program is responsible for the content, pricing, schedule, and all other information for their course. Please contact the individual program, not BCIA, should you need further information.

You are required to submit a program <https://www.surveymonkey.com/r/GRCY86P> within 30 days of the completion of the course in order to get didactic credit toward certification. All information will be summarized and shared with the specific training provider with no link to a specific person.
