

Thriving Neurotherapy Practice Seeks Competent Mental Health Practitioner – West Bloomfield, MI

Are you a compassionate and experienced mental health practitioner who is looking for a rewarding opportunity?

The Center for Integrative Psychology (www.brainoptimizationmi.com) is a rapidly growing private practice that is seeking outstanding mental health practitioners to join our team. We are primarily dedicated to patients with depression and anxiety, ADHD and autism. Our program combines traditional psychotherapy with neuromodulation, neurofeedback or LENS based on each patient's QEEG.

We are looking for practitioners who are:

BCIA Board-certified or eligible in their specialty

Experienced in the treatment of depression and anxiety, ADHD and autism.

Comfortable with the use of LENS, neuromodulation, or Loreta neurofeedback, or willing to learn these techniques

Interested in incorporating heart rate variability into treatment

Compassionate and patient-centered

Eager to learn and grow

We offer:

Competitive compensation as an independent contractor (1099 employee) with the chance to make over \$100,000./year

The use of a suite of Neurofield equipment

A supportive and collaborative work environment

The opportunity to work with a team of experienced professionals.

The chance to make a real difference in the lives of our patients.
