

Empower Health, Canada

Looking for 2 Neurofeedback Technicians for a multi-disciplinary clinic moving into a new space soon off Commercial Drive in Vancouver, BC. The role will pay \$50 per hour and entails working under supervision of a clinical counsellor.

Preference will be given to a BCIA certified professional or one who is willing to complete certification within 6 months.

Send resumes and cover letter to betternow@empowerhealth.ca

Our clinic operates in a cooperative model with strong interpersonal relationships and a range of services where practitioners also receive discounts as part of the clinic.

If you want to be in a visionary, rewarding atmosphere, we look forward to hearing from you!
