

Who We Are

Nugent Family Counseling Center Inc. is a private mental health clinic located in Reno, NV. We provide individualized counseling for individual, group, and family sessions working with children to adults. We are an innovative and self-driven practice always looking for ways to grow as individuals, a team, and the clinic.

Neurofeedback Clinician Job Summary

Our practice needs a Neurofeedback Clinician to join our unique team. We are looking for a patient and understanding individual with a strong desire to help people and improve their daily lives, as well as someone who is compassionate and sensitive to the needs of the patient. The successful candidate will be the staff member responsible for monitoring and supporting the neurofeedback treatment. You will also have the opportunity to work with our collaborative team and with patients' primary physicians and/or mental health counselors to continue during treatment.

Neurofeedback Clinician Duties and Responsibilities

- Evaluate patient through conversations, interviews, and observations
- Review treatment plans as needed

Review QEEG maps and create protocols for clients.

- Document patient records and progress, including symptoms, medications, and treatments
- Collaborate with staff to plan or determine treatment
- Educate patients, patient families, significant others, and relevant parties of patient progress, treatment, and future goals
- Support staff with placement of sensors, provided treatment, and manage the equipment of Neurofeedback.
- Conduct sessions both for treatment and for mappings.

Neurofeedback Clinician Requirements/Qualifications

- Master's degree in Psychology/Neurology or a similar field.
- BCIA Board Certification (a plus) and/or Experience providing Neurofeedback training in a professional capacity (a plus)
- Able to multitask, prioritize, and manage time efficiently
- Excellent verbal and written communication skills
- Great interpersonal relations, communications, and demeanor
- * Evening and weekend hours *

We are open to anyone who is graduating in the near future.

Benefits

Flexible hours, part-time benefits, health insurance, weekly team collaborations
